

# YOARS PRICE LIST FOR 1953

## CONDITIONS OF SALE

### PLEASE READ BEFORE ORDERING

(1) ALL items are offered subject to crop or previous sale, and for delivery as ready.

(2) MINIMUM acceptable order is for \$1.00 for seeds, or \$3.00 for bulbs or plants.

(3) Orders for less than our minimum price must include an extra .25 as a service fee (NOT POSTAGE), otherwise we ship at a direct loss.

NO C.O.D. Shipping—Always remit with order, remit by postal money order or check. For cash, better register the letter, otherwise the loss is yours.

(4) SUPPLIES are sent prepaid in continental U.S.A.—For air mail add .80 per lb. Foreign orders at customer's expense. Weights of shipping on request, also send shipping permits.

WHEN ORDERING PLANTS please enclose the following amounts for shipping: East of Mississippi 15%, west of Mississippi 20%, of total amount sent for plants. When ordering less than \$3.00 minimum, add .50 for postage. Unused postage sent will be refunded to the sender. If shipping is omitted we will ship collect by parcel post or express as seems best. On all shipping where costs are due, this adds substantially to costs.

(5) SEEDS and SUPPLIES shipped during entire year.

(6) NOTICE: All orders are packed with extreme care and delivered to carrier in perfect condition. Shipments are sent fully insured, therefore any losses due to careless handling must be taken up with the carrier. (Customer must co-operate in filing of claim.) If your order is damaged enough to warrant filing a claim, file at once with carrier, then write us. We will do everything possible to help you collect same. Make payment payable to us if you wish order re-filled, otherwise make claim to yourself. But please file promptly, otherwise we are not responsible after shipment is delivered to the carrier. Do not return plants unless instructed to do so.

(7) GUARANTEE: We guarantee delivery of plants and bulbs shipped in April, May, June, September, October and November until freezing weather sets in. During the remainder of the year we guarantee delivery only but are not responsible for heating or

freezing. Orders continue to come in all year. When spring shipping starts we ship in rotation as received on all plants. Please have patience, we will ship just as soon as we can. We fill orders to the best of our ability but since we have no control over purchaser's knowledge, skill, the climate or growing conditions, we cannot be responsible for results in growing plants, bulbs or seeds.

(8) WE WILL HAVE A PRICE SHEET of plants later this year. This sheet will contain a wide variety of plants, etc., which we cannot list at this time. This is the only other list that will be published this year. If you are interested, ask for list No. 2f. Send stamped, addressed envelope. These will be sent out only by request.

(9) VISITORS WELCOME: We have welcomed visitors from every part of the U.S.A., as well as foreign countries. We carry many plants at the greenhouse that are not listed for shipping. This is the special treat we have for our visitors.

## EPISCIA

These beauties are tender tropical plants. They have colorful foliage and bright red blossoms. They are being sold under many names such as Flame Violets, Trailing Violets, and even African Violets. They are a Gesneria in another branch of this extensive genera of plants.

They do not need a lot of sun but do appreciate a lot of light and a warm place out of cool drafts. If they become chilled they will die down. In case this happens the plant is not dead, but when properly cared for it will grow again even finer than before. These plants should not be shipped when the weather is too cold. We are listing only the varieties that we have stock enough of to ship the plants, but will have others to offer later this year. See item 8 under heading—Conditions of Sale. All but Chontalensis have bright red flowers.
